THE FOLLOWING TEXT

*"1.2.1. Type of equipment or services to be procured*

- i. Firstly, find the appropriate table for the types of equipment or services to be procured, either for Lot 1 (crop production) or Lot 2 (animal production)
- ii. Insert "yes" in each of the boxes for the items that you consider need to be procured in order to address the priorities specified in the application.
- iii. IMPORTANT: If you are invited to submit a full application, you are obliged to include these selections in that full application; the description of the action will be further elaborated during your preparation of the full application.
- iv. IMPORTANT: If you are awarded a contract, you are also obliged to include these selections in the implementation of your contract.
- v. Therefore, you are advised to reflect carefully as to which selections are required to address the priorities you select in your application..."
