**Title: Support for investment in agriculture**

**Guidelines for grant applicants**

***The following modifications have been applied to the Guidelines:***

**2.4 SUBMISSION OF SUPPORTING DOCUMENTS FOR PROVISIONALLY SELECTED APPLICATIONS (page 27)**

THE FOLLOWING TEXT

8. Applicants investing in equipment that requires installation (such as processing lines) must attach supporting documents proving that they have exclusive use of the facility for at least the coming five years.

IS REPLACED BY THE FOLLOWING:

8. Applicants must attach supporting documents proving that they have exclusive use of their land throughout the duration of project implementation.

9. Applicants investing in equipment that requires installation (such as processing lines) must attach supporting documents proving that they have exclusive use of the facility for at least the coming five years.

**No addition/removal or modification of items have been applied.**
